Experience

2023 - Current / Technical Illustrator / Stanford Sign & Awning

- Collaborates with project management & engineering team to create design & structural drawings.
- Creates drawings with sections and installation requirements for various signs such as Channel Letters, Monument, Wayfinding, Projecting, Cabinets and Awnings.
- Incorporates ADA requirements to structural drawings as required.
- Prepares Permit Packages and Master Sign Programs for city approval.
- Performs photo editing and retouching.

2019 - 2023 / Graphic Designer / Gaslamp Media

- Works closely with clients to create concepts that fulfill their design goals.
- Prepares design files for laser cutting, engraving, and sublimation printing.
- Creates and manages product listings on Etsy.
- Calculates product costs, shipping times, and sends quotes to clients.

2017 - 2018 / Marketing Photographer / Port Orchard Ford

- Captured the functionality, features and uniqueness of individual vehicles.
- Performed photo retouching, color correction, enhancement, compositing, and background removal.
- Uploaded images to internal server.
- Developed working knowledge of internal image database, metadata and naming conventions.

2013 - 2014 / Assistant Graphic Designer & Web Developer / The Ad-Visor

- Built digital advertisements as assigned.
- Checked existing ads for accuracy before allowing ads to continue to the next step.
- Managed content for the company's website.

2007 - 2009 / Junior Graphic Designer & Web Developer / Advanced Test Equipment Rentals

- Responsible for the layout and design of the company's business cards, letterheads, brochures, flyers, trade booths and many other pieces of marketing material.
- Collaborated as part of a team to complete projects.
- Assisted the IT Department with the management of the company's website. Conducted equipment research, typed content, edited photographs of merchandise, updated metadata for SEO purposes and posted equipment pages online for customer usage.
